RESPONSE TO NOTICE REGARDING POWER OF ATTORNEY

Sir:

A Power of Attorney was filed with the Office on 11/04/2005. The Office has not accepted the power of Attorney because the Certification required under 37 CFR 3.73(b) has not been received.

In order to comply with 37 CFR 3.73(b), the Applicants enclose copies of two recordation cover sheets.

The first recordation submitted on October 6, 2005, shows the name change from Raisio Chemicals Oy and Raisio Chemicals Ltd.(as Oy means LTD in Finnish) to Ciba Specialty Chemicals Oy.

Appendix A lists the patents and applications affected by this name change. Appended to this recordation are Extracts from the National Board of Patents and Registration documenting the above

name changes. See page 5 of the National Board of Patents and Registration under history of Business Name.

The second Recordation paper shows the name change from Ciba Specialty Chemicals Oy to Ciba Specialty Chemicals Corporation. See appendix A of the Assignment Paper listing the present application along with an assignment documenting the transfer.

As a Revocation/Appointment of Power of Attorney or Authorization of Agent is already part of the file, and the certification required under 37CFR3.73(b) is now present in the file, the Applicants believe the Power of Attorney for this application to now be acceptable.

Respectfully submitted,

Ciba Specialty Chemicals Corporation
